

Everyday choices

Point · select · use your usual AAC · ask a partner to read. Other messages are always welcome.

Yes

No

Not sure

I need time

Stop

Help me

I want to listen

Say that again

I have an idea

Your turn

I will pass

I want to join

I need time

Stop

Help me

I will pass

Original topic cues, not a validated symbol set. Preview meanings and adapt with the pupil's usual communication team.

Speech, eye contact and eating are optional. Keep familiar AAC available. </speak-together-studio/aac-boards.html?board=core>

Drama Lab

Point · select · use your usual AAC · ask a partner to read. Other messages are always welcome.

Watch my idea

I will show it

Use the puppet

Do it with me

Try a different feeling

Make it slower

I have another way

What changed?

Try that again

That is not my meaning

That shows my idea

I will direct

I need time

Stop

Help me

I will pass

Original topic cues, not a validated symbol set. Preview meanings and adapt with the pupil's usual communication team.

Speech, eye contact and eating are optional. Keep familiar AAC available. </speak-together-studio/aac-boards.html?board=drama>

Voice Lab

Point · select · use your usual AAC · ask a partner to read. Other messages are always welcome.

My idea is...

I notice...

Because...

I will say it

I will show it

I will use my board

Read my choice

Give me time

That is not my message

Let me change it

That is my message

What do you think?

I need time

Stop

Help me

I will pass

Character Bridge

Point · select · use your usual AAC · ask a partner to read. Other messages are always welcome.

My character thinks...

Because...

Let the puppet say it

My character wants...

Another viewpoint is...

Why might they think that?

Keep this private

One trusted listener

I choose who hears

That is not my own view

Step out of role

Try another character

I need time

Stop

Help me

I will pass

My Journey

Point · select · use your usual AAC · ask a partner to read. Other messages are always welcome.

That felt easy

I could have a go

I needed help

Not yet

I choose not to answer

This helped me

This got in my way

I tried something new

I watched first

I want to practise

My next step is...

Ask me another way

I need time

Stop

Help me

I will pass
